ANNEXURE - B TO THE AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Lambodhara Textiles Limited ("the Company") as of 31st March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of

financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and Directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ON ACCOUNTS

NOTE - 26

1. Significant Accounting Policies

- 1.1 The Financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with relevant rules issued thereunder and the relevant provisions of the Companies Act, 2013 ("the 2013 Act")/Companies Act, 1956 ("the 1956 Act"), as applicable. The financial statements have been prepared on accrual basis under the historical cost convention except for certain categories of fixed assets that are carried at re-valued amounts.
- 1.2 All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the schedule III to the 2013 Act. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has determined its operating cycle as twelve months for the purpose of current non-current classification of assets and liabilities.
- 1.3 Use of estimates

The preparation of the financial statements, in conformity with the generally accepted accounting principles, requires management to make estimates and assumptions that are considered in the reported amounts of assets including decline in carrying value of investments and liabilities on the date of the financial statements, disclosure of contingent liabilities and reported amounts of revenues and expenses for the year. Estimates are based on historical experience, where applicable and other assumptions that management believes are reasonable under the circumstances. Actual results could vary from these estimates and any such differences are dealt with in the period in which the results are known / materialize.

2. Tangible and Intangible Assets

2.1 Tangible Fixed Assets

Tangible fixed assets are carried at the cost of acquisition or construction, less accumulated depreciation/accumulated impairment. The cost of fixed assets comprises of its purchase price, including import duties and other non-refundable taxes or levies and any directly attributable cost of bringing the asset to its working condition for its intended use. Expenses directly attributable to new manufacturing facility during its construction period are capitalized. Know-how related to plans, designs and drawings of buildings or plant and machinery is capitalized under relevant tangible asset heads. Profit or Loss on disposal of tangible assets is recognised in the Statement of Profit and Loss.

2.2 Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets arising on acquisition of business are measured at fair value as at date of acquisition. Following initial recognition, intangible assets are carried at cost less

accumulated amortization and accumulated impairment loss, if any. Profit or Loss on disposal of intangible assets is recognised in the Statement of Profit and Loss.

2.3 Capital Work in Progress & Capital Advances

Cost of Assets not ready for intended use, as on the balance sheet date, is shown as capital work in progress. Advances given towards acquisition of fixed assets outstanding at each balance sheet date are disclosed as Long Term Loans & Advances.

2.4 Depreciation and Amortisation

Depreciation on tangible fixed assets is provided using the Straight Line Method based on the useful life of the assets as provided in Schedule II of the Companies Act, 2013 and is charged to the Statement of Profit and Loss. In respect of Individual assets costing less than ₹ 5,000/- the policy of the Company is to charge depreciation at 95% of the cost on Prorata basis to the period of use, considering the useful life of assets as less than 1 year.

2.5 Impairment

At Balance Sheet date, an assessment is done to determine whether there is any indication of impairment in the carrying amount of the Company's assets. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount.

An assessment is also done at each Balance Sheet date whether there is any indication that an impairment loss recognised for an asset in prior accounting periods may no longer exist or may have decreased. If any such indication exists, the asset's recoverable amount is estimated. The carrying amount of the fixed asset is increased to the revised estimate of its recoverable amount but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of impairment loss is recognised in the Statement of Profit and Loss for the year.

After recognition of impairment loss or reversal of impairment loss as applicable, the depreciation charge for the fixed asset is adjusted in future periods to allocate the asset's revised carrying amount, less its residual value (if any), on straight line basis over its remaining useful life.

3. Revenue recognition

3.1 Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, the Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Sales are recognised net of trade discounts, rebates, sales taxes and excise duties (on goods manufactured and outsourced).

3.2 Income from export incentives such as duty drawback and premium on sale of import licenses, and lease license fee are recognised on accrual basis.

3.3 Income from services rendered is recognised based on agreements/ arrangements with the customers as the service is performed using the proportionate completion method

when no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering the service and is recognised net of service tax, as applicable.

- 3.4 Interest on investments is recognized on a time proportion basis taking into account the amounts invested and the rate of interest.
- 3.5 Dividend income on investments is recognized when the right to receive dividend is established.
